MANUFACTURER OF QUALITY BRASSWARE

Handcrafted to perfection by skilled craftsmen using the very best of material and expertise.

SrijanExports

Sleek, stylish and sophisticated - these three words best describe what we are about to present to you. We like to call them our works of art! Painstakingly put together by hand by skilled craftsmen using the very best of materials and expertise, it's our unmatched range of both traditional and contemporary bathroom **brasswares**. The fine lines, the impeccable styling coupled with energy efficient features is what makes our collection much sought after.

Looks apart, it's the insides of our products that we don't shy from boasting about. Built to match the most rigorous standards using high quality raw materials, the collection is environment-conscious and pocket-friendly as well. Whatever is the interior style of your bathroom, we are confident that our staggering range of sizes and styles will floor you. Go on then, make your selection and leave the rest to us.
